

**2008 FOS Scientific Annual Meeting
May 15-18, 2008 ~ Ocean Reef Club, Key Largo, FL**

Housing Instructions

The Florida Orthopaedic Society has made the following housing arrangements for the 2008 Annual Meeting at the Ocean Reef Club in Key Largo. We would greatly appreciate your assistance in working with hotel staff to make appropriate reservations for your party and/or company. There are no good options for overflow hotels in the area; therefore, we must try to secure reservations for all of our attendees at the resort. Your compliance will ensure a quality event for all attendees. Thank you very much for your assistance.

Multiple Room Accommodations for Families and Vendors – if you know you are bringing your family, groups of Residents, or multiple company representatives, please consider booking multiple room accommodations. The resort has accommodations designed for families and small groups including 2, 3, and 4 room condos and houses that are available. Most of them come with their own unique amenities (i.e. swimming pools, grills, etc.). The resort is limited on the number of single room accommodations, so if you are traveling in a group, please consider one of these larger accommodations. Especially exhibitors who are bringing multiple representatives. You can assist us in making the event better for your company if we can reserve as many single accommodations for the physicians as possible. The price for multi-room accommodations is typically reduced as well!

Reservations - The direct phone number to the reservations department is **1-800-741-7333**. Your attendees must identify themselves as part of the Group/meeting to receive the Group rate.

Room Block Cut-Off Date – all rooms must be reserved by **April 13, 2008**.
